| I, the undersigned: | |
| Passport number: | |

I hereby declare that I hold an academic qualification but do not hold a professional practice license/Registration Certificate as there is no licensure in my home country for practicing the profession I am currently applying for.

I kindly request you to accept my verification application based on the provided academic qualification and experience certificate - in replacement of the professional practice license.

I assume full responsibility for the abovementioned statements in the case that the authority rejects my application, or its proven otherwise.
